

Invitation to our Biking Camp Frederikssund 2016 in Denmark

It is a great pleasure for Frederikssund Rotary Club to invite 16 young people (age 18-22) to join our camp from July the 31st to August the 14th.

The Camp will take place in Frederikssund and its surroundings- with visits to sights in Copenhagen.

Frederikssund is a fairly small town with 25.000 inhabitants, 45 km north-west of Copenhagen. It is beautifully situated on the shore of Roskilde Fjord, which was one of the significant waterways of the Vikings.

During your stay, you will be hosted mainly with Rotarian Families. You will be looking forward to many social activities and various sightseeing's in Frederikssund and the surrounding area, where the transportation mainly will be on bikes. ***It is therefore vital, that you are familiar with biking.***

The host families will provide you with bikes. If you have a biking helmet- please bring it!

The Camp will be completely free of charge for you, but you must pay your transport to and from Frederikssund, and you must bring some pocket money.

The program of the Camp is at the planning stage, but here are some hints to show you, what you might experience:

Visit to the Town Hall, where the Mayor will brief you on our Constitutional System,

Visit to the Viking Settlement in Frederikssund

Guided tour at Jægerspris Castle

Biking in the Forest

A sporting day with tennis, golf, canoeing, walking and running

Sailing on the Fjord

A visit to the Cathedral in Roskilde and the Viking Boat Museum

A day of sightseeing in Copenhagen

Visit to the Carlsberg Brewery
..and hours/days on the beaches near by.. depending on the weather...
Farewell part in the Viking Village

When you have decided to join our Camp, we will pass on some more relevant information to you: what to pack and some arrival procedures.

If you would like some more information on Frederikssund, you can look at this:
www.visitfrederikssund.dk

We hope to see you in August!

Kind regards

Niels Martin Viuff, counsellor
Sussie Staun Pallesen, protection officer (sussie@privat.dk, 0045-40825432)
