The Riviera Maya is an ideal vacation destination, is home to some of the most stunningly beautiful beaches in all of Mexico with expansive stretches of powdery white sand lapped by the clear turquoise waters of the Caribbean Sea.

The Riviera Maya is a top ecotourism destination in Mexico and throughout the region the natural environment is protected and preserved. Outside of the major tourist destinations, much of the land remains relatively undeveloped so the natural beauty of the Riviera Maya and the creatures that inhabit it are left to flourish. We will visit X-CARET (Eco-park) that will offer a taste of all that the area has to offer in controlled, family-friendly environments.

Mexico is a country rich in history, culture and tradition, all of which you will experience when you visit the Riviera Maya. You will participate in a traditional (Mayan ceremony), we will visit ancient Mayan ruins at Tulum, Chichen-Itza and El Rey.

We will have a day trip via ferry from Playa del Carmen to the Caribbean island of Cozumel and other day from Cancun to Isla Mujeres.

WE WILL HAVE A LOT OF FUN!!!.....
