

The Rotary Clubs of
Skedsmokorset, Nesodden and Nittedal
in D2260, and
Valdres, Sør-Valdres and Øystre Slidre
in D2305

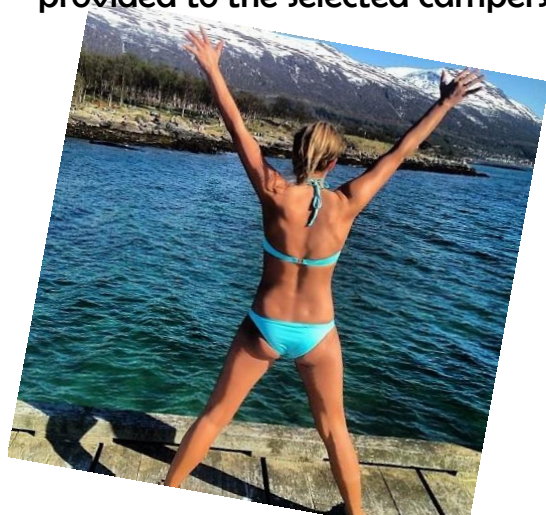

invite 12 young people from all over the world to a

“Capital and country” Summer Camp Norway 2015!

We would like to give you a taste of our country,
from urban Oslo to the countryside and mountains
of the Valdres valley. You will learn about
Rotary – but first and most important:
You will get new international friends!

During the camp we will challenge you with new experiences, and we hope you can contribute to an exciting camp with skills and knowledge from your own culture! You should have a positive attitude towards outdoor life, and you should bring good walking shoes/boots. A more detailed program and suggestions for clothing will be provided to the selected campers in advance.
